## Experience

### **Studio Republic // User Experience and Visual Designer**

SEPTEMBER 2017 - MARCH 2018, WINCHESTER

Studio Republic is an Ethical Creative Digital Agency in the city of Winchester. I have worked on projects for the Sailor's Society, A Natural Boost and nextbchapter. My key skills in the studio have been user experience design and research, visual design, and motion graphics.

### **Marmalade on Toast // Front-end Development Placement**

OCTOBER 2017, WINCHESTER

My role was to develop the styling for VeDi, a new online venue diagnostic tool. My task was to style the tool to the designs of the lead designer using BEM CSS to organise my code. The project required me to use HTML, CSS and JavaScript.

### **IBM Design Studios // User Experience Design Placement**

JULY 2017, HURSELY

Our role was to imagine a native third party experience of one of IBM's products within the Azure Cloud Platform. Using As-Is scenarios, empathy mapping, and pain points, we were able to understand the behaviour and motivations of our user. Our final outcome included user flows, low and high fidelity wireframes and the first iteration of prototyping which we successfully presented at our final Playback.

### **Winchester Hub // Communications Officer**

OCTOBER 2016 - PRESENT, WINCHESTER

---

## Education

### **The University of Winchester // BSc Digital Media Development**

SEPTEMBER 2015 - MAY 2018, WINCHESTER

University has allowed me to gain knowledge and experience of the Digital Media industry and consequently has shown me my passion for interaction design. The course requires me to work within diverse and lively teams, plan and execute digital projects and produce reports evaluating my process, from sketches to fully developed prototypes.

### **Pipers Corner School // A Levels, FSMQ & GCSEs**

SEPTEMBER 2008 - JULY 2015, GREAT KINGSHILL

**A Levels:** Mathematics (A2), Further Mathematics (A2), Information and Communication Technology (A2), Chemistry (AS);

**FSMQ:** Additional Maths

**GCSEs:** Mathematics (A\*), Statistics (A\*), English Language (A\*), English Literature (A), Biology (A), Chemistry (A), Physics (A\*), History (A\*), Religious Studies (A\*), Information and Communication Technology (A), French (B)
